

ATTENDANCE REQUIREMENT

A student is expected to attend every class and laboratory for which the student has registered. Each instructor may make known to the student their policy with respect to absences in the course. It is the student's responsibility to be aware of this policy. The instructor makes the final decision to excuse or not to excuse an absence. An instructor is entitled to give a failing grade (E) for excessive absences or an Unofficial Drop (UE) for a student who stops attending class at some point during the semester.
